

Pre-Shipment Check List

Before You Send It.....

Remove Accounts

On Android devices remove your Google account, on iPhones turn off 'Find My iPhone'. We have step-by-step instructions available at: www.bigskyrecycling.com/erase

Package Carefully

Find an appropriately sized box or padded envelope and carefully package with plenty of packing materials such as bubble wrap or newspaper.

Erase Data

Erase your data (contacts, photos, videos, etc). We have step-by-step instructions available online at: www.bigskyrecycling.com/erase

Save Your Data

Save your photos, contacts, and other data. If your device has an SD card, don't forget to remove it. We always erase left behind data.

Ship Your Package

Schedule an at-home USPS pickup at USPS.com or drop your package off at your local USPS location.
